## OFSTED SAY WE ARE GOOD IN ALL AREAS!

Following our recent Ofsted inspection on 7<sup>th</sup> and 8<sup>th</sup> January 2025, I am delighted to share the fantastic news that Moira Primary School has been awarded a **GOOD** judgment in all areas.

These areas are:

- Quality of Education
- Personal Development
- Leadership and Management
- Behaviour and Attitudes
- Early Years.

These judgements are a testament to the hard work, dedication, and commitment of our entire school community, including our staff, pupils, parents and governors. What a team we all are! I would particularly like to thank our staff who *'go to great lengths to care for pupils'* and *'model kindness and respect'*.

I am incredibly proud of our children, who *'love their school'* and represented us with enthusiasm, showcasing their knowledge and learning to the inspectors, the way they embodied our school values both in the classroom and around the school. To you, our parents thank you for all of your positive comments.

As a school, we have worked tirelessly to improve our school and have come a long way from our last inspection to develop a curriculum that *'is broad and ambitious'*. It was also recognised that *'each pupil with SEND has carefully considered targets and strategies.'* There were many areas Ofsted commented on positively, including our *'effective teaching'*, phonics, reading, pupil opportunities and personal development and the support given by our Governing Body.

A copy of our Ofsted report is attached. Please do take some time to read this to celebrate our achievement.

Thank you to our whole school family for your continued support. I hope you are as proud of how far Moira School has come as we all are. I am now looking forward to building on our successes and I am confident our school will continue to grow and thrive in the future.

Kind regards

**Vicky Santy**  
Headteacher
