

Music and British Values at Moira Primary School.

Democracy	Rule of Law	Individual Liberty	Mutual Respect	Tolerance
<p>Each music lesson at Moira, provides opportunities for pupils to express themselves freely, in composition and performance.</p> <p>Our 'Listening and Appraising' aspect gives children the opportunity to express their opinions, and these are respected by others.</p>	<p>Pupils are taught how to be an appreciative and supportive audience who listen attentively whilst others perform. Pupils are expected to follow 'The Moira Way' about using instruments safely and respectfully.</p>	<p>Within our lessons, children are taught about self-discipline and that to be successful you must work hard, show resilience to improve their skills. Lessons provide opportunities for pupils to express themselves freely in composition and performing tasks.</p>	<p>Individuals are encouraged to make sensible and informed choices in lessons and to take ownership and leadership for this. They are encouraged to respect everyone's abilities and performances during lessons and give feedback sensitively. Children develop respect and greater understanding of differences in musical genres, cultures and religions.</p>	<p>Our pupils listen to and learn about a diverse range of music including a variety of genres as well as music of other faiths and cultures.</p> <p>They are able to compare similarities and differences between music and celebrate differences between themselves and others. Opportunities are given in our music lessons for children to show how music can bring people together and enable them to share experiences.</p>
